

COMMUNITY NIGHT ENGAGEMENT

INDIVIDUAL VOLUNTEER ACTIVITY

Outreach has been dreaming of opening a second location and this year that dream came true!! This opportunity gives you a chance to engage and serve the youth and young adults we are meeting in our city. Come help us cook and serve them dinner, sit and eat just as family does! Help us create a safe space for them to get a hot meal and feel loved.

WHAT ARE WE DOING?

This is a beautiful evening serve opportunity that will allow interaction with our youth. Come alongside other volunteers and work as a team to prepare, cook and serve dinner. Of course, cleaning is a big part of this team! Assist youth and young adults in choosing hygiene products for a shower or help them get set up to do laundry. By enjoying dinner and playing games with them, you'll be helping us build community!

WHERE ARE WE DOING THIS?

This activity happens at our NEW location at IMPACT Old Southside, 1431 South Meridian Street, Indianapolis, IN 46225.

WHAT DAYS AND TIMES DOES THIS HAPPEN?

We meet here every Tuesday evening from 4:00 – 7:00 pm and we share a meal at 5:00 pm.
