

OUTREACH REPRESENTATIVE

INDIVIDUAL VOLUNTEER ACTIVITY

Do you enjoy public speaking whether it be a small or a large group? Outreach has many opportunities to share the work we do with companies, churches, schools, small groups, etc. Handing this task off to a volunteer would take it off the plates of the coaches which allows them to spend more time with the youth and young adults we serve.

WHAT DAYS AND TIMES DOES THIS HAPPEN?

This service opportunity will be coordinated based on the specific needs Outreach may have and your availability. Our Volunteer Manager will reach out to you once you fill out the Volunteer Application. Thank you!
